

“A Woman After God’s Own Heart” by Elizabeth George.

You don’t have to be perfect to be a woman after God’s own heart. This 24-week study (continuing through until May) meets you where you are and takes you step-by-step into a closer relationship with God. Elizabeth George takes you into God’s Word to discover how to... - develop God’s priorities as your own - improve your relationships with family & friends - build a strong bond with your husband - help your children learn about Jesus - grow in your service to others. Let God fulfill His greatest desire for you. While you allow Him to transform you by embracing His plans for you. Find real purpose in a life of prayer, a life of priorities, a life as A Woman After God’s Own Heart.

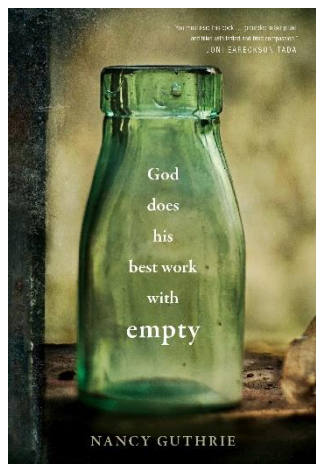

If you are feeling weary or empty in your Christian journey, Lysa TerKeurst has written this study as a tool to discover how Jesus fully satisfies the cry of your heart. This study birthed out of a trip to Israel that brought the I AM statements to life for her. Lysa TerKeurst will interject Jewish historical information while leading us through various passages in the Gospel of John. We will take a close look at the many names Jesus calls Himself. I am the Bread of Life, I am the Light of the World, I am the Good Shepherd, etc.

Though this study is originally set up with a video session - we have chosen not to use the video, but to simply connect in conversation and prayer together for our study. As a study group, we hope to share honestly as we wrestle through the difficult empty places, we all experience. We look forward to the fellowship and allowing the Holy Spirit to speak to each of our hearts as we seek Him together.

Sermon on the Mount, is a Jen Wilkins 9 week study that depicts kingdom citizenship taught by the Lord Jesus just as His disciples learned it. It is a study that will hopefully challenge us to truly see what it means to be a follower of the Lord Jesus. We will study the sermon as a whole rather than breaking off pieces of certain aspects. Come & enjoy this time at the feet of the Lord Jesus just like Mary.

In Jan./24 we will continue with God of Deliverance another study by the author Jen Wilkins.

It’s amazing how heavy the weight of emptiness can feel, how much room it can take up in our souls, how much pain can be caused by something that isn’t even there.

Join Nancy Guthrie in discovering why emptiness has never been, and never will be, a problem to God. As Nancy pulls back the curtain on God’s work to fill up emptiness as revealed throughout the Bible, you’ll experience page after page of grace and hope that your emptiness can and will be filled. You’ll begin to see that God really does do His best work with empty—as he fills it with Himself.
